An Infallible CURE

For Barrenness *in* Women, *and* Impotency *in* Men, *By* Superlative ENLIVENING DROPS; *Which in a few Days render both Sexes Prolifick in a most wonderful Manner.*

HUndreds of Ladies who were deem'd incurably Barren, and very many who thought themselves too old to bear Children, have immediately conceived after taking three or four Doses of them only; and vast Numbers of GENTLEMEN by taking them, have presently become capable of propagating their Species, who before, thro' either Imbecility or Age, imagin'd it impossible.

They almost instantly renovate the vital Ferment of the Blood and Juices, rectify the languid State of all the Fluids, rouze, fortify, and increase the Spirits, invigorate the Nerves, restore juvenile Warmth, and cause a sparkling Gladness and ardent Courage to flow in the Heart, and expand itself thro' the whole human System, so as sensibly to enliven and invigorate all the animal Faculties, and corroborate or strengthen the whole Body, as well as the Part appropriated to Generation, and do infallibly cure Barrenness in one Sex, and Impotency in the other, from what Cause soever proceeding, as Thousands have experienced.

They are also pleasant to take, are Cordial to the Stomach, create an Appetite, and procure a good Digestion, beyond any thing known in the World. And are to be had only at Mr. RADFORD's Toy-shop, at the Rose and Crown against St. Clement's Church-Yard, in the Strand, Price 5 s. the Bottle, with Directions.

These are to Certify whom it may concern,

THAT the Two Medicines for external Use, which have been sold with so much Success for the Good of Mankind near Thirty Years last past, for the Cure of

All Sorts of Ruptures, Bursten, *or* Broken Bellies.

are removed from the Minories where they have been sold for the Author, so long, and are now sold only at Mr Sandwell's Toyshop, the Sign of the Griffin, the Corner of Buckler's Bury in the Poultry, at 5 s. the Parcel, sealed up with printed Directions given with them.

These two Remedies need no other Recommendation than themselves will manifest in two or three Days using, having by their admirable and even astonishing Success, gained the Reputation they so justly deserve, both in City and Country, after wearing Trusses for many Years to no Purpose.

For by the Blessing of God, they make a perfect Cure, either on Old or Young, in a very little Time, and for a small Charge, without any Pain to, or Confinement of the Patient, one Parcel is generally sufficient for a compleat Cure, especially on a young Person.

Many Hundreds of all Ages and Sexes have been cured by them, which occasioned this Publication, for the Good of the Publick, that all such unhappy People may be delivered from the Charge and Slavery of always wearing Trusses.

The World might have had many Certificates of Cures of Persons of all Ages, from Children of a few Months old, to grown Persons of 60 Years or upwards; but that People are naturally averse to let it be known, that they ever had such an Infirmity: Yet Mr. Sandwell can satisfy any Inquirer of the Validity of what is here said, tho' he has not had such large Knowledge, by reason of the short Time he has sold 'em, as they from whom the Medicines are now, for good Reasons, removed.

No Letters received except Post paid.
